## BS ARABIC STUDIES

### THE COMPLETE PACKAGE

Arabic is one of the oldest and richest languages of the world. For Muslims, it bears a special importance as it is the language of the divine communication. To understand the Holy Quran first hand, a complete grip over the language is imperative.

BS Arabic Studies is offered at Al-Kawthar as a comprehensive and in depth study of the Arabic Language with a sharp focus on grammar and phonology.

High Quality PhD faculty, with International qualifications, has been invited by Al-Kawthar to teach and supervise the Arabic Studies program in order to ensure the delivery of a complete package.

### PEDAGOGY

Language learning can only take place through intensive practice. Our exclusive PhD faculty ensures that students are made to practice rigorously in order to ingest the intricacies of the Arabic language. Assignments and tasks are incorporated into the study design, which gradually but continuously enable our students to develop a strong grip on the use of Arabic.

### RESEARCH

A great focus on high quality research is a priority, which is supported by foreign qualified PhD faculty, an exhaustive library, online access to top quality research journals, and a strong support structure. An exclusive area, dedicated only for researchers is housed within the Central Library.

### ENVIRONMENT

Al-Kawthar is housed at main University Road, opposite Safari Park, Gulshan e Iqbal. As you step in, a spacious, visually pleasing campus welcomes you. Besides academic facilities like the library, computer labs, and technologically equipped classrooms, you can always enjoy the luxury of a modern gymnasium, multi-purpose courts, and indoor games facilities. For quick snacks and meals, a well maintained and clean cafeteria awaits you.

To top it all, the Masjid, overwhelming with its architecture and capacity stands as a crown jewel inside the campus.

### THE FINAL OUTCOME

After the completion of BS ARABIC STUDIES from Al-Kawthar, our students are fully capable of understanding the Holy Quran and Hadith along with Arabic and Islamic classical literature.
