

### **Financial Assistance:**

- The process of Financial Assistance shall commence only after a student has been granted admission to the Islamic Scholar program.
- The FORM for financial assistance is available with the STUDENT AFFAIRS department in which required information is to be filled.
- The FA form must be submitted to the Student Affairs 2 weeks before the last date of fee submission.
- The Financial Assistance committee will consider each case, depending on the information provided through the form.
- The FAC may interview the applicants' parents/guardian.
- After its deliberation, the FAC, through Student Affairs, will communicate to the students about its decision regarding the approval and amount of the assistance.
- Financial assistance cases will be settled on one academic session basis. If required, financial assistance for the next academic session will have to be applied for anew.
- The decision of the FAC will be final.

### **Scholarship:**

A scholarship maybe granted to a student in two categories:

1. Grade/Percentage of the completed academic session at Al-Kawthar will entitle the student for a merit scholarship for the next academic session.
2. Significant Extra-Curricular performance.

**Policy for Staff:**

- A **50% reduced fee** will be charged from the staff members of Al-Kawthar University.
- The staff financial assistance will only apply to the staff member or the next of kin (Spouse or Child).
- Only one student per staff will receive financial assistance.

All students, irrespective of their category, will be able to avail either the FINANCIAL ASSISTANCE or the SCHOLARSHIP, **not both simultaneously.**
